An Ordinary Day...

An ordinary day...if there is such a thing with children...looks something like this:

Gathering Time- (Arrival)

Every day we begin with a project. We color, paint, cut or have some type of craft project to get us thinking and using our hands.

Calendar Time-

Every day we sing songs, review the days of the week, work on our numbers and letters. We practice sitting and using our listening skills.

Activity Time-

We have lots of room for play inside and out. We play games and engage in other organized activities that help us learn to follow rules, take turns and develop social skills. Knowledge and skills needed for kindergarten readiness are the focus for children in the 4s class. Spring and Fall are perfect times to explore Hope and surrounding areas with field trip opportunities. MSP takes advantage of special events at Hope Library. The campus of Hope Moravian Church provides many opportunities to experience nature all through the year.

Story Time-

We have a story each day. Sometimes we have a Bible story, utilizing Godly Play to do this. We often use books, props and costumes to tell our stories. We welcome parents and other important visitors to share their favorite story with us.

Snack Time each day

What does it mean to be a “Christian Preschool”?

Bible stories are intertwined throughout learning units and celebrations throughout the year. More importantly, Christian truths of how we are to treat one another and our environment are modeled for each child. Song and prayer that reflect Christian values are shared daily with the children.

About our teacher-

Chris Cox has been with MSP since it's beginning in 1999. She has a bachelor and master degree in elementary education with a rich background particularly in early childhood education.

Open enrollment for the 2018-19 school year begins at this time. Preference given to previous MSP families and current students for openings in the 4s class.

Scholarship Information:

Historically, the Moravian Church had a school in the early 1900s for girls. Education has been a priority for this denomination. Likewise, many members of our congregation are committed to seeing children have a strong foundation in early childhood education. We have a scholarship program available for MSP families. Applications for assistance are due at the time of enrollment in March. Scholarship awards are based on financial needs of the family and extenuating circumstances. Scholarship needs are reviewed mid-year and adjusted as needed.
