

Class Parties

We will have a few class celebrations throughout the year to celebrate special events. We ask parents to provide treats for these celebrations. In order to have a balance of treats and not an overabundance, we ask that parents sign up for ONE party. Any child may still bring in prizes for the Halloween games, and we encourage each child to make Valentines for their classmates. We will let party committee members know the details of the party as the date draws near.

Provided it is safe to do so, parents and younger siblings will be allowed to attend and help at the class celebrations. However, we reserve the right to restrict attendance at any time as we follow the guidance of our local Health Department. If you are signed up to bring a treat, you are not obligated to help with the party.

Please fill out the bottom of this form stating which celebration you would like to support and return it to school. If you have any questions, please ask.

Thanks

Party Help

I would prefer to send in treats for the following party

(please check one)

_____ Halloween

_____ Valentine

_____ 100th Day

Parent Signature
