

CLASS PARTY INFORMATION

We have some class parties to celebrate special events during the year. Two of our big parties are Halloween and Valentine's Day. We ask parents to provide treats for these parties. So we do not have an over abundance of treats, we ask parents to sign up to send in party treats for one party - Halloween or Valentine's Day. (Everyone can send in small prizes for the Halloween Party games.) Remember, all parents are always invited to attend all of our parties. But, you do not have to come to a party just because you are providing treats. We will let Treat Committee Members know of party details as the party date nears.

Please fill out the bottom portion of this note to indicate the party you would prefer to help with and return it to school. If you have any questions, please ask!

Thanks!

PARTY HELP!!!

I would prefer to send in treats for the following party (please check one):

_____ Halloween Party

_____ Valentine Party

(Parent Signature)
